We may need further information from you as we progress the assessment of the account. We will use the contact information provided in this form to get in touch.

Why we need this information

Prior to remitting funds in the account(s) to ASIC, we will assess ownership of funds held in the account(s). Where we determine any amounts are not the property of the deregistered company, we will return these to the rightful owner(s). To determine the rightful owner(s) we need to speak to the individuals who have continued to operate the account(s) post date of deregistration.

Our Privacy Statement also provides information about how you can access and correct your personal information and make a complaint.

You do not have to provide us with the personal information we have requested but, if you don't, we may not be able to identify the rightful owner(s) of funds in the bank account(s), and as a result, funds in the account may need to be transferred to ASIC.
